

MOLDED DOORS

Stylish, durable molded doors designed to bring depth, detail, and lasting performance to any space.

Available in both classic molded and clean-lined Shaker styles, our primed doors are a smart solution for modern interiors. Each door features a paint-ready surface and stable core—ideal for projects that demand flexibility, value, and consistent performance.

*Perfect for projects requiring flexibility and finish control. These primed doors are easy to customize on-site and deliver consistent quality across residential and light commercial settings.

PREHUNG DOORS

Per-hung Door

Door Frame

Door Slab

Hinges

Locks and Handles

A "prehung door" is a complete door unit that includes the door, frame, hinges, doorknob, and often a lockset. It comes preassembled and is ready for installation, simplifying the process.

- ▶ Convenient Installation
- ▶ Precision Fit
- ▶ Quality Assurance
- ▶ Consistency

CORE MATERIAL

Honeycomb
Standard Solution

Tubular Chipboard
Particules Tubulaires

Full Chipboard
Particules Solides

*Choose from a variety of core materials—cost-efficient honeycomb, durable tubular chipboard, dense full chipboard, to deliver the right balance of weight, strength, and insulation.
