

POCKET DOORS

Sleek pocket doors offering seamless design and smart space-saving functionality.

SELF-ASSEMBLY KIT

Great for smaller projects, this pocket door kit is easy to assemble and typically takes around 30 minutes to install. This contemporary pocket door kit can be combined with the majority of our door range and is the perfect space saving solution!

Space Saving, Self-assembly kit

Suits doors 35 or 40mm thick dependant on set purchased

Max door weight 120kg per leaf

125mm finished wall

The double kit pocket door solution is created from two singles kits joined together using the junction tongue supplied with each single kit. A double door timber pack is supplied which has a longer crosspiece.

*This pocket door kit offers a practical space-saving solution with modern appeal. Designed for easy assembly, each kit includes all required components and fits most standard openings—ideal for smaller spaces, or efficient home upgrades.

MOLDED DESIGN

SHAKER DESIGN

GLASS DESIGN

*Choose from molded, shaker, or glass panel designs to match a variety of interior styles. Whether you prefer classic patterns, clean lines, or natural light flow, our pocket doors bring both function and elegance to any room.

Crafted By Experts. Trusted Around The World.

With years of experience in wood-based building materials, we deliver high-quality doors, mouldings, and cabinets designed for performance, style, and long-term value. Whether you're outfitting a single home or managing large-scale projects, we're here to support you—every step of the way.
