ABOUT US

At UWG, we specialize in producing high-quality cabinets with a focus on craftsmanship and durability.

As a trusted name in the industry, we are committed to delivering stylish, functional cabinetry solutions that meet the needs of both residential and commercial projects.

With a wide range of modern and classic designs, we ensure that every product combines aesthetic appeal with long-lasting performance.

Our dedication to quality and customer satisfaction sets us apart, making UWG a reliable partner for your cabinetry needs.

As a factory specializing in high-quality cabinet manufacturing, we combine deep expertise with a strong understanding of the U.S. market, adhering strictly to American standards in every stage of production.

Industry Expertise

With over a decade of experience providing cabinets to various clients in the United States, we have established a strong reputation for delivering high-quality, reliable products. Our annual sales in the North American market have consistently exceeded \$10 million, demonstrating our dedication to quality, reliability, and building strong partnerships with industry leaders.

Competitive Pricing

We achieve up to 10% lower raw material costs through bulk ordering and a streamlined manufacturing process, enabling us to provide cabinets at a lower price point without compromising on quality.

OUR SOLUTIONS PERSONALIZED SERVICE

This cost efficiency allows us to deliver premium products at prices that meet the needs of both residential and commercial clients.

Quality Control

In addition to manufacturing, we also provide comprehensive end-to-end services, including design consultation, custom solutions, and transportation. Our team works closely with clients to ensure each cabinet is delivered perfectly, ensuring ongoing customer satisfaction.

We are committed to delivering products that not only meet but exceed expectations, backed by responsive and accessible customer service that ensures every interaction is as satisfying as our products themselves.

MADE FOR A LIFETIME OF

Every cabinet is built with standard features that are anything but standard, From strong joinery to solid-wood frames, CABINETHOY offers you a lifetime of dependable performance.

SOLID-WOOD DOVETAIL DRAWERS

Durability is in the details. You'll find this level of craftsmanship on all four sides of every Wolf Artisan drawer.

SOFT-CLOSE DRAWERS AND DOORS

Even the most frenetic of spaces is a little quieter with soft-close hinges and slides.

I-BEAM CONSTRUCTION

Built to remain strong and square from day of delivery to after years of daily use.

3/4" SOLID-WOOD FRAMES WITH EASED EDGES

Soft edges mean fewer snags and scratches and a finish that holds its color and luster longer.

DEEP DRAWER BOXES WITH FULL-EXTENSION

Store more of everything-and find it all easily-with drawers that extend beyond the cabinet face. Featuring 90-lb. drawer slides, drawers can easily carry the weight of appliances, tools and accessories of all kinds.

CUSTOMIZED CONSTRUCTION

Choose the construction level that fits your space or setting the best: engineered wood or all-plywood.

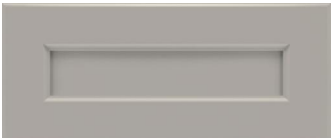

READY, SET, STYLE

THINGS TO CONSIDER WHEN SHOPPING STYLES:
Select the one that aligns with your vision.

Clean, smooth slab
drawer fronts.

Detailed, five-piece
drawer fronts.

Full overlay drawer and door
fronts will deliver seamless
coverage of cabinet fronts.

Partial overlay allows each
drawer and door to stand out
on its own.

Cherry, maple, oak and more. The wood species you choose
will affect the way your chosen wood stain or paint reads on the
wood color and grain. With so many combinations to choose
from, your designer can help further guide.

PAINTED FINISH:
with the added benefits of
color consistency, scratch
resistance, fade resistance,
and waterproof surface
protection, ensures a stylish
look with ease.

FULL OVERLAY DOOR STYLES

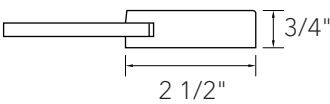

Full overlay door styles cover most of the cabinet face, offering a sleek, seamless look with minimal
gaps, ideal for modern cabinetry.

Beauty and Protection in Every Detail

Paint provides a smooth, solid color, stain highlights the natural grain of the wood, easy-to-clean surface. The finish protects the cabinet from moisture, wear, and damage while adding to its aesthetic appeal.

STAIN

A room with a single wood tone can read flat and uninteresting. Don't be afraid to choose a cabinet finish that is a bit different than your wood floor finish or your furniture. The variation can add richness and depth.

MATTE SHEEN

(Top portion of door)

Our low sheen top coat is less reflective and absorbs more light, resulting in a softer, more muted look. Available on all stains and glazed stains. Not available on paints or glazed paints.

SATIN SHEEN

(Lower portion of door)

Our timeless original top coat features a moderate sheen which is reflective without being too glossy. Available on all stains, glazed stains, paints and glazed paints.
